**23 January 1968**

**MEMORANDUM FOR:**

1. There are three pieces of paper marked "Internal Use Only" which may be of some use in arriving at an intelligence field structure.
2. The **SIGINT** Committee memo which established the Working Group is at the back of the memo which describes DIA studies. I thought it might be useful for you to have both of these memoranda.
3. The Working Group's memo indicating its interpretation of its task is also attached as promised.
